**Have you ever been lost in a shopping mall?**

**How do you feel when you are lost?**

In our growing up years, we will encounter a lot of times in which we do not know where we are going, what we are doing, whether we are doing the right things or not.

God understands that. That's why He gave us a book. In it are instructions of what we should do, how we are going to encounter life's problems and issues in our growing up years.

**What is God's instruction?**

The **Bible** is God's instruction to us. **The B.I.B.L.E can be referred to as Jesus' "Best Instructions Before Leaving Earth!"** There are 66 books in the Bible, which took 400 years to write. The Bible is divided into two parts – the Old Testament (39 books) and the New Testament (27 books).

There are many verses that talk about the Word of God. Look up these verses and write down what it says: -

## **BIBLE MAZE**

### **Can you find 15 books of the Bible in this passage?**

In these remarks are hidden names of 15 books of the bible. It's a real fluke. Kept me looking so hard for the facts that I missed revelations. I was in a jam, especially since the names are not in capitalized. The truth will come to numbers of our readers. To others it is a real job. For all it will be a most fascinating search. Yes, there will be some easy spot; others hard to judge. So we admit it usually results in loud lamentations when we can't find them. One lady says she brews coffee while she puzzles over it. One book is underlined to help you start. Can you find the other 14?
